2. As you are aware, the result of this meeting and subse-
quent investigation lead [redacted] to an agreement in relin-
quishing two thousand square feet of subject space for our oper-
ational use, and that the configuration of this space would be
our choice.

3. The attached drawing outlines the space desired by our
agency. It represents an area that can be modified with the
least cost to the government. It is therefore requested that
the referenced space be vacated by the GSA Shop on or before
1 September 1968 in order that preliminary designs and tests
may be made beginning early in September.
